Legislature. Would you please stand so you can be recognized. Thank you for attending the Legislature. The call is raised. And you have some things to read in, Mr. Clerk?

CLERK: Yes, sir. Mr. President, I have a report from the Rules Committee upon a proposed rules change offered originally by Senator Warner.

I have a report of registered lobbyists for the week of February 1 through February 7.

I have a Retirement Systems Committee report regarding a confirmation hearing.

Government, Military and Veterans Affairs Committee who is chaired by Senator Landis reports 49 to General File and 263 to General File and 134 to General File with committee amendments attached, all signed by Senator Landis. (See page 520 of the Legislative Journal.)

Judiciary reports LB 70 to General File and 327 to General File, 113 to General File with committee amendments attached, 371 General File with committee amendments attached, 176 indefinitely postponed, signed by Senator Hoagland. (See pages 520-25 of the Legislative Journal.)

Your Committee on Enrollment and Review reports LB 323 to Select File; 53 to Select File; 422 to Select File. (See pages 518-19 of the Legislative Journal.)
